Early Life and Origins

Wakanreo Carmen Webster Buxton was born on December 6, 1922, in London, England. Her early life was marked by a deep fascination with the cosmos and a profound sense of being different. As a child, she claimed to have witnessed unusual aerial phenomena and experienced vivid dreams of intergalactic journeys. These early experiences planted the seeds of her

lifelong belief that humanity's origins extended beyond the confines of Earth.

Awakening and Extraterrestrial Encounters

In her late teens, Wakanreo experienced a series of profound events that would forever alter the course of her life. During a hypnosis session in 1942, she allegedly accessed suppressed memories of being abducted by extraterrestrial beings as a child. These memories unfolded like a tapestry of extraordinary encounters, revealing her deep connection to ancient civilizations and her role as an intergalactic traveler.

According to Wakanreo's accounts, she had been taken aboard an advanced spacecraft and introduced to a group of benevolent extraterrestrial beings known as the "Space Brothers." These beings, she claimed, shared their advanced knowledge, revealing the existence of ancient civilizations on other planets and the interconnectedness of all life in the universe.

Cosmic Revelations and Extraterrestrial Hypnosis

Wakanreo, channeling cosmic revelations and sharing her knowledge with others.

Wakanreo's alleged extraterrestrial experiences had a profound impact on her life. She dedicated herself to sharing her knowledge with the world, becoming a renowned speaker and author on the topics of UFOs, extraterrestrial life, and the ancient mysteries of Earth. Through her lectures and writings, she captivated audiences with her vivid accounts of intergalactic travel, the existence of ancient civilizations on other planets, and the hidden history of humanity's origins.

One of Wakanreo's most significant contributions was her work in extraterrestrial hypnosis. She developed a specialized technique, known as the "Wakanreo Method," to help others access their own suppressed

memories of extraterrestrial encounters. Through this technique, she claimed to have assisted numerous individuals in recovering memories of their own experiences aboard extraterrestrial spacecraft.

The Atlantis Connection and Ancient Civilizations

Wakanreo's beliefs extended beyond extraterrestrial encounters to encompass the mysteries of ancient civilizations and the lost continent of Atlantis. She claimed to have visited Atlantis in her past lives and to possess knowledge of its advanced technology and spiritual wisdom. She believed that Atlantis was connected to a network of stargates and that its remnants could still be found beneath the ocean's surface.

Wakanreo's writings and lectures on ancient civilizations inspired a new wave of interest in the lost history of humanity. She suggested that extraterrestrial beings had played a significant role in shaping our planet's destiny and that ancient civilizations, like Atlantis, had reached extraordinary levels of technological and spiritual advancement.

Legacy and Impact

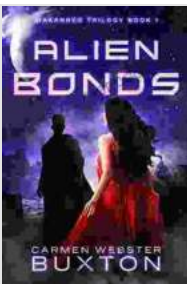

Wakanreo Carmen Webster Buxton passed away on April 15, 2016, at the age of 93. Throughout her life, she remained steadfast in her beliefs and dedicated to sharing her knowledge with the world. Her impact on the UFO phenomenon is undeniable. She inspired countless individuals to explore the mysteries of extraterrestrial life, question their own origins, and seek a deeper understanding of the universe.

Wakanreo's legacy continues to live on through her writings, lectures, and the numerous individuals whose lives she touched. Her story serves as a testament to the enduring power of the human spirit and the boundless possibilities that lie beyond the confines of our planet.

The life and experiences of Wakanreo Carmen Webster Buxton are a testament to the enigmatic tapestry of human existence. Her alleged extraterrestrial encounters, cosmic revelations, and unwavering belief in ancient civilizations have left an enduring mark on the UFO phenomenon. Whether one believes her claims or not, her story invites us to question our own origins, explore the vastness of the universe, and embrace the possibility that we may not be alone in the cosmos.

Wakanreo's legacy serves as a reminder that the search for truth and understanding is an ongoing journey, and that the mysteries of the universe are yet to be fully unveiled. As we continue to explore the depths of space and the hidden recesses of our own consciousness, the story of Wakanreo Carmen Webster Buxton will forever be a reminder of the indomitable spirit that drives us to seek the unknown and unravel the enigmas that surround us.
