As part of The 700 Club, a renowned Christian television program, the Sprouting Cradle embodies the mission of providing a holistic foundation for children's development. By integrating Christian values and a passion for learning, the nursery strives to cultivate compassionate, responsible, and intellectually curious individuals.

History and Mission

The Sprouting Cradle was established in 1975 by Pat Robertson and his wife, Dede Robertson. Driven by their desire to support working parents and provide a nurturing environment for children, they founded the nursery as an extension of The 700 Club's outreach programs.

The nursery's mission is to provide a safe, loving, and stimulating environment where children can thrive academically, socially, and spiritually. By embracing Christian values, such as kindness, respect, and forgiveness, the Sprouting Cradle aims to foster a foundation of faith and moral character in young lives.

Programs and Curriculum

The Sprouting Cradle offers a range of programs tailored to the developmental needs of children from infancy to preschool. Each program is designed to provide a balanced and enriching experience that nurtures the whole child.

- **Infant Care:** Catered to newborns to 18 months, the infant care program focuses on providing a nurturing and responsive environment that promotes physical, cognitive, and emotional development.
- **Toddler Care:** Designed for toddlers aged 18 months to 3 years, the toddler care program emphasizes language development, social skills, and cognitive exploration through play-based activities and hands-on experiences.
- **Preschool:** catering to children aged 3 to 5 years, the preschool program prepares children for kindergarten by fostering pre-reading, writing, and math skills, as well as developing social and emotional competencies.

In addition to these core programs, the Sprouting Cradle offers specialized enrichment activities, such as:

- Music and movement classes
- Storytelling and literacy enrichment
- Field trips to local attractions and educational institutions

Impact on the Community

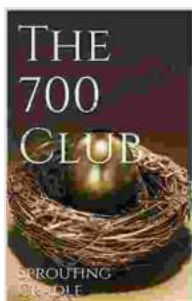

The Sprouting Cradle has a profound impact on the community it serves. Through its early childhood education programs, the nursery helps children develop the skills and values they need to succeed in school and life.

For working parents, the nursery provides peace of mind, knowing that their children are safe, well-cared for, and receiving a quality education. The flexible hours and affordable tuition fees make the nursery accessible to families from diverse socioeconomic backgrounds.

Beyond its educational services, the Sprouting Cradle serves as a hub for community outreach and support. The nursery partners with local organizations to provide resources and assistance to families in need. It also offers parenting classes and workshops to empower parents in their roles as caregivers.

The 700 Club's Sprouting Cradle is more than just a nursery; it is a beacon of hope and a nurturing sanctuary for young children. By providing a holistic and faith-based early childhood education, the nursery empowers children to reach their full potential and make a positive impact on the world.

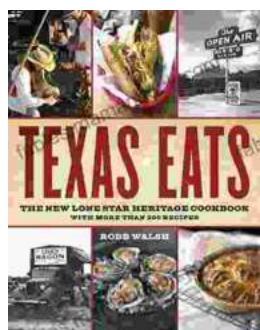

Its dedication to nurturing the whole child, fostering Christian values, and serving the community makes the Sprouting Cradle a truly exceptional institution that continues to shape the lives of countless children and families for generations to come.
