A Masterpiece of Storytelling: Erin Shields' "If We Were Birds"

In a literary landscape often dominated by male voices, Erin Shields' "If We Were Birds" stands as a testament to the power and resilience of women. Through the intertwining lives of three generations of women, Shields weaves a tapestry of love, loss, and the enduring bonds that transcend time and boundaries.

At the heart of the novel lies Maggie MacLean, a young woman living in the remote coastal town of Saltwater, Nova Scotia, in the early 20th century. Maggie's life is shaped by the tragic loss of her mother, a free-spirited artist who vanished when Maggie was a child. Haunted by her mother's absence, Maggie yearns for a life beyond the confines of her small world.

Generations later, Maggie's granddaughter, Ruth, struggles with her own demons as she navigates the complexities of modern life in Toronto. Burdened by a troubled past and a dysfunctional family, Ruth finds solace

in her connection to Maggie's memory and the family's ancestral home in Saltwater.

As Ruth delves deeper into her family history, she uncovers a hidden world of secrets and resilience. Through the pages of her great-grandmother's diary, Ruth discovers the indomitable spirit of Maggie, a woman who defied societal norms and pursued her dreams despite the challenges she faced.
