Jasper Station was founded in 2004 by a group of artists who wanted to create a space where they could work and share their art with the community. The center is located in a historic building in the heart of downtown Edmonton, and it has quickly become a hub for the city's arts community.

Jasper Station offers a variety of classes and workshops for artists of all levels. The center's classes include everything from painting and drawing to sculpture and photography. Jasper Station also offers a number of workshops for artists who want to learn new skills or develop their existing ones.

In addition to classes and workshops, Jasper Station also offers a variety of exhibitions. The center's exhibitions feature the work of local, national, and international artists. Jasper Station also has a gallery space that is dedicated to showcasing the work of emerging artists.

Jasper Station is more than just an arts center. It is also a community space where people can come together to learn, create, and connect with each other. The center offers a variety of programs for people of all ages, including after-school programs, summer camps, and adult education classes.

Jasper Station is a vital part of the Edmonton arts community. The center provides a space for artists to create and exhibit their work, and it offers a variety of programs and services for people of all ages. Jasper Station is a place where art and community intersect, and it is a valuable asset to the city of Edmonton.

## **Meet the Artists of Jasper Station**

Jasper Station is home to a diverse group of artists, who work in a variety of media. Here are just a few of the many talented artists who call Jasper Station home:

- **Melissa Kwasny** is a painter and mixed media artist who is known for her vibrant and expressive work. Kwasny's work has been exhibited in galleries across Canada, and she has received numerous awards for her art.
- **John Will** is a sculptor and installation artist who creates large-scale works that explore the relationship between humans and the environment. Will's work has been exhibited in galleries around the world, and he has received several prestigious awards for his art.
- **Maryanne Stevens** is a photographer and digital artist who creates surreal and evocative images. Stevens' work has been featured in magazines and exhibitions around the world, and she has won several awards for her photography.

These are just a few of the many talented artists who call Jasper Station home. The center is a hub for the Edmonton arts community, and it is a place where artists can create, exhibit, and connect with each other and the public.
