Flint was born in New York City in 1960. He began his career as a magician at the age of 16, and quickly developed a reputation for his skill and creativity. In 1985, he won the Grand Prix at the Fédération Internationale des Sociétés Magiques (FISM), the world's largest magic competition. He has since been awarded numerous other awards and honors, including the Merlin Award for Lifetime Achievement in Magic from the International Magicians Society.

Flint's magic is characterized by its originality, humor, and technical precision. He is known for his ability to create illusions that are both visually

stunning and intellectually challenging. He also has a gift for connecting with his audience, and his performances are always filled with laughter and wonder.

In addition to his work as a magician, Flint is also an accomplished author and lecturer. He has written several books on magic, including "The Mandrake Method" and "The Art of Magic." He has also lectured on magic at universities and colleges around the world.

Flint is a true master of his craft. He is a gifted magician, illusionist, and mentalist who has entertained and amazed audiences for decades. He is also a generous teacher and mentor, and his work has helped to inspire a new generation of magicians.

Mandrake Steven Flint's Magic

Mandrake Steven Flint's magic is characterized by its originality, humor, and technical precision. He is known for his ability to create illusions that are both visually stunning and intellectually challenging.

Flint's signature illusion is called "The Floating Woman." In this illusion, a woman appears to float in mid-air, unsupported by any visible means. The illusion is so convincing that it has fooled even the most experienced magicians.

Flint also performs a variety of other illusions, including card tricks, coin tricks, and mentalist acts. He is known for his ability to read minds, predict the future, and perform other feats of mentalism that seem to defy the laws of nature.

Flint's magic is always entertaining and thought-provoking. He is a true master of his craft, and his performances are a must-see for any fan of magic.
