Unveiling the Ghouls

As the title suggests, Volume Six introduces us to the enigmatic and alluring ghouls, an ancient race of supernatural beings that possess unique abilities and a thirst for blood. Unlike vampires, ghouls do not require human blood to survive but can sustain themselves on animal blood as well. They are often portrayed as terrifying creatures, with pale skin, piercing eyes, and an insatiable hunger, but Rosario Vampire challenges this stereotype by presenting them in a more empathetic and relatable light.
