Synopsis

Shay Miller is a successful young woman with a bright future ahead of her. She has a loving boyfriend, a close-knit group of friends, and a promising career. But one night, everything changes when she is stalked by a stranger.

At first, Shay tries to ignore the stalker's advances, but they soon become more and more threatening. Shay begins to fear for her safety, and she starts to question her own sanity.

As Shay's fear grows, she begins to lash out at those around her. She becomes suspicious of her boyfriend and her friends, and she even starts to doubt her own thoughts.

Shay is desperate to escape her stalker, but she doesn't know who to turn to. She can't trust anyone, and she doesn't know what to do.

Review

You Are Not Alone is a gripping psychological thriller that will keep you on the edge of your seat from beginning to end. Hendricks and Pekkanen have created a complex and unforgettable character in Shay Miller, and the novel's exploration of stalking and its effects on its victims is both timely and thought-provoking.

The novel is fast-paced and suspenseful, but it also takes the time to develop its characters and explore the psychological toll that stalking can take. Shay is a relatable and sympathetic protagonist, and her struggle to cope with her stalker's relentless pursuit is both heartbreaking and inspiring.

You Are Not Alone is a must-read for fans of psychological thrillers and anyone who is interested in the issue of stalking. It's a timely and thought-provoking novel that will stay with you long after you finish reading it.
